## LETTER OF INVITATION

### Birkerød Gymnasium Model United Nations Conference 2022

Dear MUN administration,

We are delighted to invite your school to the 11<sup>th</sup> annual session of Birkerød Gymnasium's Model United Nations (BIGMUN), to be held through the 23<sup>rd</sup>-27<sup>th</sup> February 2022. Our conference will take place at Birkerød Gymnasium, an upper secondary school situated in the lovely countryside outside of Copenhagen, Denmark. Having been declared Scandinavia's largest and most prestigious conference with approximately 350 national and international delegates attending each year, we attribute this title to our longstanding dedication to creating memorable experiences for students around the world.

We, the BIG8, are determined to promote international awareness and understanding by providing students the opportunity to discuss international issues through the pragmatic lens of simulated UN debate. To this aim, we expect that each delegation works efficiently in preparation for this event, as each attendee is directly responsible for the outcome of the conference. Note that we only permit delegates whose age is between 15-20 years with a maximum of 20 delegates per school.

For registration, please fill out the online request form to the BIGMUN Administration no later than Friday, October 8<sup>th</sup>, 2021. The request form can be found electronically on our website, [www.bigmun.dk](http://www.bigmun.dk), or through the link attached in the email. We will contact you no later than Friday, October 15<sup>th</sup>, 2021. For any questions regarding registration, contact [registration@bigmun.dk](mailto:registration@bigmun.dk).

The participation fee per delegate is €60, plus a €40 administration fee for delegates wishing to stay with host families. This fee covers lunch and refreshments for the duration of the conference, stationery, a canal tour around Copenhagen, admission to the official party, and a dinner. MUN directors are not required to pay the conference fee. Due to a limited number of host families, delegations wishing for host accommodation must submit a letter of motivation to [accommodation@bigmun.dk](mailto:accommodation@bigmun.dk). Delegations staying in the city are invited to use the BIGMUN Bus Service, which will bring them to and from the conference every day with a price of €60 per delegate, which is a cheaper alternative to public transport in Copenhagen.

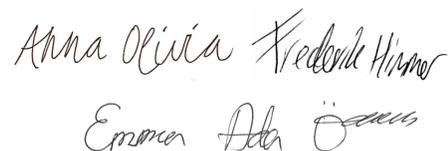

Information about accommodation and other practical matters can be found on our website, [www.bigmun.dk](http://www.bigmun.dk). Due to COVID-19, these accommodations may be subject to change, and the website should therefore be checked regularly. For further details, please refer to the BIGMUN 2022 Registration Handbook, which can be downloaded from our website. Regarding any further questions, do not hesitate to contact us at [admin@bigmun.dk](mailto:admin@bigmun.dk).

We hope to welcome you in 2022 at our 11<sup>th</sup> annual session!

Claus Reinholdt Campeotto

Head Master, Birkerød Gymnasium, HF, IB and Boarding School

Anna Olivia Vest Nielsen, Frederik Himmer, & Emma Ada Ozmen

Secretary-Generals BIGMUN 2022
